Press Release

Change in the chairmanship of the Swisscom Board of Directors

Swisscom confirms that the appointment of a new chairman of the Board of Directors, which is planned for April 2011 (Hansueli Loosli is to replace Dr. Anton Scherrer), is being discussed with the aim of determining a suitable timing for the transfer of office. The date on which Hansueli Loosli takes office will depend in particular on when he hands off his operational management responsibilities at Coop. The Swisscom Board of Directors has not yet made a decision in the matter. Swisscom will make an announcement as soon as a decision has been made.
