

Dial-up.

Classic Internet connection takes place using a modem which dials in each time an Internet session is started, the Internet pages are therefore displayed very slowly.

Speed

	max.	min.
Download	64 kBit/s	56 kBit/s
Upload	64 kBit/s	56 kBit/s

Contract

There is no minimum contract term for Dial-up Internet connection.

Note:

If you do not use your internet access Dial-up or Service Package «Light» for 12 months, the entire Package and all of the services therein will be deleted.
