

Curriculum Vitae

Urs Lehner

Head of Business Customers

Member of the Group Executive Board since June 2017

Born 1968

Swiss citizen

Degree in IT Engineering, UAS (University of Applied Sciences)

MBA, University of St. Gallen (HSG)

Urs Lehner has been Head of Business Customers and a member of the Swisscom Group Executive Board since 2017. After his degree in IT Engineering, he completed an Executive MBA programme in Business Engineering at the University of St. Gallen. In 1997, he joined independent IT service company Trivadis, where he held numerous roles, including COO, partner and member of the Board of Directors, and played a key role in the company's development. In 2011, he joined Swisscom as Head of Marketing & Sales Corporate Business and subsequently held various management positions in the Corporate Business segment. Since January 2020 and the merger of the SME and Corporate Customers segments, he has been Head of the entire Business Customers division at Swisscom.
