

TRACcess

Request to order an eKEY for access to locations belonging to Swisscom (Switzerland) Ltd and Swisscom Broadcast Ltd

You can use this form to request access to locations belonging to Swisscom (Switzerland) Ltd and Swisscom Broadcast Ltd. Please note that access is only granted in connection with an order from Swisscom. Access is logged. Swisscom reserves the right to deactivate the key immediately and request that it is returned if misused. The key is personal. Each person is liable in their own name. The PIN required must always be kept separate from the key. The supplier (SAFOS) must be notified immediately if the key is lost. Please note the information sheet on TRACcess!

The eKEY costs around CHF 133. This amount will be billed to your OE. The supplier will send you the invoice directly. You can find more information at: www.safos.ch

Notice on terms and costs has been read
