Costs

With the Flat Subscription International you can call one of the following countries in the fixed network for only 7.80 or 12.80 per month respectively.

The calling credit, based on the peak tariff for international telephony, is limited to 200.-. Once this credit has been used up, the generally applicable tariffs for international fixed-network telephony apply.

Conditions of the offer

[Flat Subscription International \(PDF, 118 kB\)](#)

* The minimum contract term for the Flat International subscription is 12 months.
