

Curriculum Vitae

Michael Rechsteiner

Chairman

Member of the Board of Directors since 2019

Born 1963

Swiss citizen

MSc, Zurich Federal Institute of Technology (ETH)

MBA, University of St. Gallen (HSG)

Michael Rechsteiner has been a member of the Swisscom Board of Directors since 2019 and Chairman of the Board since 2021. He has a Master of Science in Mechanical Engineering from Zurich Federal Institute of Technology and an MBA from the University of St. Gallen. He started his career in 1990 at ABB Kraftwerke AG (later Alstom), where he held a number of roles until 2000, most recently as General Manager ABB Power Generation Asia in Kuala Lumpur. He then moved to Alstom Power, where he was responsible for managing international nuclear power projects. In 2003, he became COO of former textile machinery manufacturer Sultex. 2007, he returned to Alstom Power, where he held a number of roles. Most recently, as CEO and Senior Vice President, he takes over the overall management of the global service business for Alstom Power. After General Electric's takeover of Alstom Power in 2015, he became GE Officer and Vice President of Global Product Lines at GE Power Services. From 2017 until March 2021, he has managerial responsibility for GE Power Services Europe and is most recently CEO of GE Gas Power Europe and Chairman of the Executive Board of GE (Switzerland) GmbH.
