

Smartphone competition entry conditions

1. The competition is open to anyone living in Switzerland aged 14 or older who registers through the first-interest tool at www.swisscom.ch/iphone. Employees of Swisscom (Switzerland) Ltd and all participating service providers (sponsors and partners) are not eligible to take part.
2. Participation is free of charge and does not require a purchase. There are no contractual obligations.
3. The competition will run from 26.8. until 12.9.2019 12:00. Eligible persons who enter their details in the first-interest tool will receive one automatic entry into the competition. Entry is therefore only possible at www.swisscom.ch/iphone.
4. To take part, all entrants must provide their first and last name, a valid e-mail address and a mobile phone number. This helps confirm the identity of the entrants and ensures that Swisscom is able to contact the winners.
5. An e-mail address primarily serves to identify the participant. If a winner provides an invalid e-mail address and/or an invalid mobile phone number and Swisscom (Switzerland) Ltd is unable to reach them as a result, they shall lose their claim to a prize.
6. Eleven winners will be chosen at random from among the entrants who meet the above criteria.
7. Each of these 11 winners will receive a prize in the form of the most recent iPhone model launched ahead of the participation deadline, as soon as the devices become available. Swisscom decides on the model, capacity and colour.
8. Prizes cannot be exchanged and there is no alternative cash prize. Unclaimed prizes will be awarded to a new, randomly selected winner.
9. In the event of suspected tampering or breach of the entry conditions, Swisscom (Switzerland) Ltd reserves the right to exclude participants from the competition.
10. Legal recourse is excluded.
