After which online access is disconnected. Audio/video recommended with some reservations. ⁵ Once the roaming days are used up, telephony and texting are billed at the standard roaming rate. Further data packages for data traffic can be bought in the cockpit. swisscom.ch. swisscom.ch/roaming
The NATEL® infinity subscriptions apply to normal home usage. Swisscom reserves the right to curtail or restrict the service or take other appropriate steps if it can prove that usage considerably exceeds normal levels, or if there are justified indications that the SIM card is being used for special applications (e.g. surveillance, machine-to-machine, direct dial and continuous connections). Value-added services and special numbers are excluded in Switzerland and abroad. swisscom.ch/fup
