Licence fee		8.90	

1 MB of data is enough for roughly 500 e-mails without attachments.
Phone calls as per NATEL® subscription, support included.

Additional services with Hosted Exchange Professional

We recommend that you get a specialist to handle the changeover and save your existing e-mails and addresses. We can refer you to a Swisscom partner in your area on request.

Volume discounts

Mailbox	Basis (bluewin)	Standard (own domain)	Midi (own domain)
Monthly charges for use of Exchange mailboxes			
1 to 2 Exchange mailboxes per e-mail address	14.–	19.–	16.–
3 to 10 Exchange mailboxes per e-mail address	14.–	18.–	15.–
11 to 19 Exchange mailboxes per e-mail address	14.–	17.–	14.–
from 20 Exchange mailboxes per e-mail address	14.–	on request	on request

Discounts/prices are determined separately for each mailbox type, i.e. mailboxes of different types are not counted together. If a threshold is reached due to an additional Exchange mailbox being ordered or a change to the existing mailboxes, the existing mailboxes are counted pro rata.

Minimum contractual term

- The minimum contractual term (MCT) of 12 months applies to the subscription and the first mailbox
 - There is a 50% discount on the activation charge if you choose a 24-month MCT.
 - There is a 100% discount on the activation charge if you choose a 36-month MCT.
- The MCT for all other mailboxes and options is one month (with notice to the end of a month).
- Data subscription for mobile e-mail with ActiveSync®: one month (with notice to the end of a month). BlackBerry® Hosted: one month (with notice to the end of a month).
