Parental control	
Access to adult entertainment and erotic content is blocked by default to all Swisscom customers under the age of 18. Business numbers (beginning with 0900, 0901, 0906) as well as SMS and MMS value-added services (entertainment, information services, voting, etc.) can also be blocked by calling the hotline. Swisscom customers under the age of 16 are blocked by default from accessing business numbers.	

* Applies to SMS within Switzerland and to other countries. SMS value-added services are excluded. Unused SMS expire at the end of the month.

If usage should deviate from normal domestic use, Swisscom reserves the right to assign customers a different NATEL[®] product or take other appropriate action.

In order to maintain service quality for all customers, Swisscom will reduce the transmission speed or take other appropriate action if data traffic exceeds 2 GB within one month.
