<b>Parental control</b> Access to adult entertainment and erotic content is blocked by default to all Swisscom customers under the age of 18. Business numbers (beginning with 0900, 0901, 0906) as well as SMS and MMS value-added services (entertainment, information services, voting, etc.) can also be blocked by calling the hotline. Swisscom customers under the age of 16 are blocked by default from accessing business numbers.	

\* Applies to SMS within Switzerland and to other countries. SMS value-added services are excluded. Unused SMS expire at the end of the month.

If usage deviates significantly from a fair level of usage for private purposes, Swisscom reserves the right to assign the customer another NATEL<sup>®</sup> product, or take other appropriate measures.

In order to maintain quality of service for all customers, Swisscom will reduce the transmission speed if data traffic exceeds the monthly allowance of 2 GB in the Swisscom mobile network respectively 1 GB in the Public Wireless LAN of Swisscom, or take other appropriate measures.
