Call forwarding to the mobile or fixed network	included
SIM card	40.-

Data download to the Swisscom mobile network and to Public Wireless LAN up to 1 Mbit/s, data upload up to 0.5 Mbit/s. If data traffic exceeds the 1 GB limit within a month, the transmission rate is reduced for the remainder of the month concerned. The NATEL[®] xtra start subscription is suitable for normal personal use. Swisscom reserves the right to curtail or restrict the service or take other appropriate steps if it proves that usage considerably exceeds normal levels, or if there are justified indications that the SIM is being used for special applications (e.g. surveillance, machine-to-machine, direct dial and continuous connections). Only persons under the age of 26 can be xtra customers. Each customer may only take out one subscription for young people, i.e. NATEL[®] xtra infinity L, NATEL[®] xtra infinity M, NATEL[®] xtra infinity S and NATEL[®] xtra start. The customer may not provide this subscription to a third party for use.
