¹ Offers apply to customers with a fiber-optic connection and Internet Box. For customers with a copper line, speeds of up to 100/20 Mbps are available with Vivo XL, L, and M (with Internet Box) (in select areas, up to 500/100 Mbps with Vivo XL and up to 300/60 Mbps with Vivo L), with Vivo S up to 40/8, with Vivo XS 30/30, and with Vivo XS 20 up to 20/4 Mbit/s download/upload speeds. Check availability at swisscom.ch/checker

² Reception of HD channels depends on the performance of your connection. Check this at swisscom.ch/checker

³ Available with the vTuner app, available in the Swisscom TV 2.0 app store.

⁴ UHD reception requires a UHD-compatible TV and an internet speed of at least 40 Mbit/s. Check availability at swisscom.ch/checker.

⁵ Cost per event: CHF 5.00 (in SD/HD), except for golf (CHF 7.50 per event).

⁶ Voice Search: Requires the new Swisscom TV-Box (UHD-compatible) and the corresponding remote control to search for content using voice commands.

⁷ Calls and text messages to business, short, and special numbers are subject to charges.

⁸ Make calls 24/7 to all landline and mobile networks in all countries of the EU/Western Europe, the U.S. (including Alaska and Hawaii, excluding U.S. territories and outlying areas), and Canada. Calls/SMS to business, short, and special numbers are subject to charges.

⁹ Unlimited use of the cloud for normal personal use only; no commercial or business use

¹⁰ Activation of Swisscom TV 2.0 and delivery of the new TV-BOX are free for new Swisscom TV 2.0 customers (instead of CHF 119 per TV-BOX). Offer does not apply to customers switching from Swisscom TV to Swisscom TV 2.0. Minimum contract term: 12 months.

¹¹ Price example: Vivo M for everyone under 26 with landline service CHF 109/month instead of CHF 129/month; without landline service CHF 104/month instead of CHF 114/month. Vivo packages The minimum contract term for new Vivo customers is 12 months. Existing minimum contract terms remain unchanged. Check availability at swisscom.ch/checker Use of Swisscom Services The Vivo subscription is valid for normal personal use. If Swisscom determines that usage deviates significantly from normal usage, or if there are indications that the connection is being used for special applications (e.g., surveillance applications, machine-to-machine, direct dial, and continuous connections), Swisscom reserves the right at any time to suspend or restrict service provision or to take other appropriate measures.
