## DELL Latitude 9510

First laptop with 5G connectivity in Switzerland.

Make use of the new opportunities of mobile working with the new 5G-compatible Latitude 9510 laptop in the best mobile network in Switzerland. 5G makes it faster, more reliable and powerful than ever before.

Experience a new mobile world with the world's smallest, lightest and most intelligent 39.6 cm (15") business PC with a 39.6 cm (15.0") InfinityEdge screen in a portable 35.6 cm (14") housing. It comes with Dell Optimizer and integrated AI, which adapts to your way of working. It can be configured as a laptop or 2-in-1 system.

You can find more information on the [DELL website](#).
