* Reduction to 128 kbps

** Reduction to 64 kbps

*** Once the roaming days have been consumed, calls and SMS messaging are charged at the standard roaming rate. Data connections are blocked.
To continue surfing, additional data packages can be purchased at cockpit.swisscom.ch. The complete list of countries as well as the general rates can be found at swisscom.ch/roaming

**** Inclusive volumes apply in practically every country in the world. Country lists, countries not included and general tariffs can be found at swisscom.ch/roaming

***** Unlimited use of the cloud for normal private use only. Commercial or professional use is not permitted. Available from 5 April.

Extra freedom with Natel infinity plus

Customers use their mobile phones far more abroad
