1. Service Assurance
2. WSG Release Dates

contents

WSG Service Assurance Alternative Links

- After the successful GUI migration from Pearl to Angular the alternative links are no longer needed anymore
- As informed in July the "Alternative Links" will be removed.

WSG Service Assurance Browser Recommendation

Browser Recommendation for Angular GUI

Please use for WSG Angular GUI the following browsers:

Chrome	Firefox	Edge
Latest	Latest	Latest
Version 75	Version 66	Version 42

Newer versions of the listed browsers are also supported.
(upward compatibility)

Earlier versions of the above listed browsers or other browsers will possibly not work.

WSG Angular GUI is tested by the Development Team with Chrome, therefore the supplier of WSG recommends to use WSG with Chrome.
